## Byte Software - How to Order Credit

How to use Byte's MISMO Interface to order a new Credit Report

- 1. Launch your Byte program and open a borrower file
- 2. Click on the Interfaces from the Menu and then click on Credit

🔝 BytePro - [Testcase	_Janet2 : Home]
File Edit Goto	Interfaces Tools Customize Window Help

3. Choose the Credit Reporting Agency's interface icon. If you do not see them on the list, check under all Providers instead of Preferred. You can also choose the Download Latest Interfaces if your CRA is not under the All Providers list.

4. At the order screen, verify the consumer's information, in the Request Type drop menu select Order New Report, Report Type should be Merged Credit Report, Bureaus can be selected via the checkboxes. To configure the username and password, click on the CRA Defaults link above the Submit button.
